The Top 10 Best Shopping Deals Sites

[View rankings](#)

[Travel Zoo](#)

Site Description: Travel Zoo offers consumers travel deals and more discount travel packages

Mr. Sock Monkey's Opinion: Like all travel sites, you can find some really cheap deals if you don't have a particular destination in mind. They have some of the cheapest packages on the web, with alot of all inclusive 7 day trips under \$300. Vist the site

[Let's Talk Cell Phones](#)

Site Description: Let's talk helps consumers get deals and discounts on cell phones - the site allows users to compare cell phone prices and rates from 19 carriers. Lets users try phones risk free for 7 days.

Mr. Sock Monkey's Opinion: The best cell phone comparison site to go to if you don't have a particular carrier in mind. They have alot of the phones for free, and the best part is, you don't need to shop around with different carriers - all the information is on one site Vist the site

[Bens Bargains](#)

Site Description: BensBargains.net. brings

Where To Get The Best Deals On Cruises

There is something you need to do though; don't accept the first prices or prices offered to you. Let them earn your business. In fact, don't stop at the first travel agent you come to. Shop around and get a list of respective prices for the same cruise you're interested in.

Never pay shipping again

FreeShippingOn, a new shopping site scheduled to launch on Monday, wants to be your one-stop-shop for free shipping deals at the Web's most popular shopping venues, such as Amazon, eBay, Newegg, Apple, Best Buy, and more.
